What's going on?

Hyungnam's been wandering around the streets like a high school girl going through puberty!

He was never the type to go out like this unless there was trouble. What happened to him?

I think he started acting weird after meeting those high school kids last time. Do you think they're somehow related?

AH! MAYBE IT'S THAT?

What?

You see, his weary appearance is similar to a man who was just rejected!

MAYBE HYUNGNAM WAS REJECTED, AND THAT'S WHY HE'S BEEN WANDERING AROUND?!

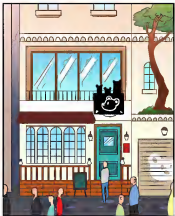

MISTER TEDDY

AGI

Thanks, TaeYoon!

I'd have been
overwhelmed if you didn't
come today... TaeYoon,
you're really so reliable and
kind

Arum?

Well... Aram's still in her
room, and it doesn't seem
like she'll come out any
time soon...

I think HyunWooong-ssi
refusing to join the CLG was
too much for her. She hasn't
been eating properly, and
just stays cooped up in her
room like this.

I already know
everything, so tell me
the truth.

You knew he
was gangster, didn't you? It
wasn't robbers he fought
that time, but another gang,
right?

Why in this world did
you hide that fact?

DON'T GIVE ME
THAT "I'VE BEEN EXPOSED"
FACE! YOU MUST HAVE
THOUGHT THAT NOTHING
WOULD GO WRONG IF YOU
STAYED QUIET!

twinge

Seriously, you and
Anam don't know how
scary the world is...

Arggh, whatever!
Everything's been
taken care of, so we
won't be in danger be-
cause of that Ahjussi
again.

I thought it
was all over.

What do
you mean, "okay"?
Anyway, don't think
of doing anything
stupid.

clack

clack

...I can won't give up, you know?

What?

There's no way...She saw ev-
erything with her
own eyes

He...he...HUUU-

HUNGRYY~
SO...HUNGRYYY~

I'm hungry,
Geeh'ooooo- Give me
something to eat!

Here. Eat,
you glutton.

WAAH SWEETS,
SUCH PRETTY SWEETS!
I REALLY LOVE
SWEETS!

It's so hard to
see your face these days.
What are you doing cooping
yourself up in your room,
anyway?

Ah murg msh
mgh a d

Talk after you
swallow...

Ahh. You see, I...

I've been trying
to think of some way to
bring Akjura back

WHAT? WHAT DID
YOU JUST SAY?

My macaroni...

Slam

YOUR MACARONI ISN'T
THE PROBLEM HERE!!

YOU ALREADY KNOW
WHAT THAT GORILLA DOES FOR
A LIVING. YET YOU STILL WANT
TO MEET HIM AGAIN?

SEX. DRAMA. NO. THINGS.

HE'S A GANGSTER!
A GANGSTER!

I know ... I saw
what kinds of things he does
first time with my very own
eyes, so I know...

But... I'm gonna
change him.

WHAT?

CHANGE? CHANGE WHAT?
ARE YOU A PRIEST OR SOME-
THING? A SHEPHERD THAT
LEADS POOR, STRAY SHEEP?
NO. YOU'RE JUST A HIGH
SCHOOL GIRL!!

I know, but I'm
sure I can do it!

ARGH! ARE YOU
TALKING WITH YOUR
MOUTH OR YOUR BUTT?
HOW CAN YOU SAY
YOU'RE GONNA CHANGE A
PERSON?

Pulls

It'll be fine, Sashwo.

I've done it before, so I
have faith in myself.

You know that
just as well, right
SeaWoo?

...You just have to bring up the past, don't you?

That's not what I'm trying to do, Seelwoo. I'm just saying that because I want you to trust that I can do this.

...Even if the circumstances are the same, this is still on a whole other scale. Delinquents and gangsters are two completely different things.

Didn't you hear that his gang controls this area? Besides, he told himself that he won't involve himself with us anymore and that he doesn't wish to join the CLG. How do you expect to convince him?

NO! THOSE WEREN'T
ANJROSS'S REAL FEELINGS!

At that time...
I could feel just how sad
he was!

Ah-jussi is a lonely
person. I'm sure he's in that
world only because there's
no one who is truly on his
side.

Ah-jussi will be able
to change! So I will take re-
sponsibility and be on his
side!

You do realize
this isn't simply a problem
between you and Ah-jussi,
right? Think about it, Kang
Aram.

Even if you somehow
change that Akjudo, because
of his past, he could still put
the CLG members in danger.

Is he so important
to you that you'd risk
everyone's safety? Why
won't you just give up
on him?

Because—

If we give
up, he won't have this
chance to change.

Okay. Since it's you,
I'll trust you one more time. But
this will be the last time I help you
like this.

Really? So you're
gonna help me?

In return, I want
to make this clear. Just as I
made a clean break with my
past, he too has to alone for
his past in some way

Promise me,
Kang Arum

Of course. I promise,
SaeWoo.

Sigh...

So now what?
What are you thinking of
doing to change that
Ajussi?

We don't have
any way to meet him
again. He really is some-
one from another world,
you know.

Hah! You think I
starved away in my room just to
end up without any ideas, when I
only focused on exercising my
brain?

I have a plan!

Did you sleep well, sir?

It must have been hard on you to work and sleep in the office but it has finally come to an end today

HHHAAAAAH-
HH??!!!

Ah, those

We thought that
the reason why you've re-
cently lost your spirit was per-
haps because your treasured
things were damaged...

I ordered
the guys to fix
them all

Sho c4

You ordered the others...
for these kids??!!

hahaha

Ah...Er... you see no
I...I should've thrown
them away before but
h...how

hahaha

SC4000

Hyungrin

Don't you know? Up until this very moment, the others and I have sincerely followed you 'tila watan' following this organization, but you Hyungnam,

Hyungnam has always respected us as individuals, so just as it is for us, it's okay for you, Hyungnam, to pursue whatever you wish to the fullest as well.

Even if it's 'this or that' kind of thing, all of us understand

So...since when have you known?

scratch

We knew since a long time ago, but we stayed quiet since it seemed you wished to hide it.

Besides, it's been quite the long time since I started serving you, Hyung-nim. There's no way there could still be something I don't know about you, right?

Right.
